AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of the sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- **Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.**
- **Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.**
- **Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior**
- **The sportsman judge judges only on the merits of the dogs and considers no other factors.**
- **The sportsman judge or exhibitor accepts constructive criticism.**
- **The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something else.**
- **The sportsman exhibitor refuses to compromise the impartiality of a judge.**
- **The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.**
- **Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of the competitors.**
- **Sportsmen welcome, encourage and support newcomers to the sport.**
- **Sportsmen will deal fairly with all those who trade with them.**
- **Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of his breeding stock.**
- **Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.**
- **Sportsmen always consider as paramount the welfare of their dog.**
- **Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.**

(Qualify and/or place in any three classes, across a minimum of two NSS Events)

Agility: Qualifying score in any agility class offered.

Obedience: Qualifying score in any obedience class offered.

Rally: Qualifying score in any rally class offered.

Conformation: Best of Breed, Best of Opposite Sex, Select Dog/Bitch, a Judge's Award of Merit or by making the cut in the Best of Breed competition, Placement in any regular or non-regular conformation class. Placement in any Puppy or Veteran Sweepstakes class also qualifies.

Field: Qualifying score in any Working Dog Test (WD, WDX, WDQ).

Example 1:

"Fido" is entered in Rally Novice A, Rally Advanced A, Open Dog in conformation, and the WD for field. Fido qualified in Rally Novice A and placed third in Rally Advanced A. In Open Dog, he did not get a placement. Since his first two "goals" were both in Rally, and he failed to get a placement in Conformation, he does not meet the Triple Crown Challenge until the field, when he passes the WD.

Example 2:

"Ripple" is entered in Veteran Obedience, 8+ Year-Old Bitch in Veteran Sweeps, Veteran Bitch 8-10 Years in Conformation, and the WD for field. She qualifies in obedience, is second in her Sweeps class, and goes first in her Veteran conformation class. She's already met the Triple Crown Versatility Challenge before she hits the field!
